Issue 10-01  
President: John Carmony  
Editor: Bob Yocom  
January 28, 2010

**Meeting January 4, 2010.** First meeting of the year, and 10 hardy souls braved the slush and snow to make it to Iaconnos for the 6 pm meeting. Lots to discuss. Let's get started.

**February Meeting** will be held at the Cherry Creek YMCA. **President Carmony** announced that he has a caterer who will keep the cost very reasonable. Feb. 5 is the date.

**Tree Lot discussion.** 1) We need trees at \$25. 2) Workers should be encouraged to greet customers when they come onto the lot, and not ignore them. 3) We need two types of trees. 4) Sutherland sold smaller trees for \$15 to \$30. 5) Stop selling trees. (Fruitcakes, Scottie?)

**Gary Link** thanked the crew which worked at the Breakfast with Santa – **Chuck Copley, Dan Scott and Bob Yocom.**

**Gary** also said that he would welcome some new faces to work the Guides' Pinewood races in March. He mentioned that it is a fun day working with the Y Guides.

**President Carmony** asked for ideas for the Y's Men to take a tour, or other entertainment on a regular meeting night. Our last trip was the Airport Security Office, which was great.

**Joint Meeting with Wives, Girlfriends, or others.** **Lew Proper** asked about having a Sweetheart dinner with the wives in February. Eight hands were raised in support of the night out with the gals. Suggestions were made to try Heritage Golf Club, The Irish Claddagh on S. Front, and Salvi's.

**Gary Link** has reported that he has made arrangements with the "**Claddagh Irish Pub**" at 585 S. Front St. for our joint meeting. It is next to the figure of King Grambrinus. Parking is available in a horseshoe shaped parking lot north of 585 S. Front, or on the side street just south of the Claddagh Pub. The side street is metered parking, and three quarters should cover the length of time we are having dinner. We will order from the menu, with separate checks. Call **Gary Link** with any questions.

**Martin/Ehman Memorial Fund.** **Yocom** made a motion that the club fund 10 kids for Summer Camp at the Y. Second by **Dan Scott.** Unanimous vote. **Yocom** made a motion that a like amount of money from the fund be designated for a Camp Willson scholarship..

Second by **Jim Sullivan.** Passed.

**Yocom** reported that results of the tree sale show a profit of about half the previous year.

He said that 1989 was our best recent year, when we showed a profit of \$14,000.

**Paul Westenheffer** asked for a member of the Y's Men's Club to serve on the Hilltop Y Advisory Board. **President Carmony** said that he would put the request under consideration, and we would have a member there on the 4<sup>th</sup> Thurs. of the month at 7 pm.

**Scottie** reported a crew of 10 for the lot clean up, and the job was done by 10 am. Still have to move the Cathouse, but weather will have to be better than at present.

**Sick List.** **Dan Scott** continues to improve at this writing. Get well soon, **Dan**; we miss you.

**Work Night, January 18<sup>th</sup>.** Cancelled. The light work was done by the vendor.

### **A Contest**

The contest site said we should write  
Some puns about professions.  
I wrote ten puns about some nuns  
And humorous confessions.  
They had to be in poetry,  
Which wasn't easy going,  
But still I thought that mine were hot  
With rhyme and meter flowing.  
The funny nuns made funny puns.  
I felt that mine were splendid.  
I sent them in and hoped they'd win.  
Alas, no pun in ten did.
